**PROJECT NARRATIVE:** Please include a brief (2 to 5 pages total) description of the following:

- 1) **Map** of the garden, including the approved location and dimensions.
- 2) **Garden description**, including explanation of how the garden will be constructed, water source, and type of plants that will be grown. Is this a new or existing garden?
- 3) **Budget**, including a specific breakdown of how the requested grant funds would be used.
- 4) **Garden's future**. Will the project continue next year? How do you plan to financially sustain the project in the future? Will additional funds be requested next year?
- 5) **Garden benefits**. How many children will be involved in the project? How will student learning be incorporated in the garden?
- 6) **Photographs**. Please include any pictures from previous year's projects, if any. If funded, we may request that 4 pictures be submitted electronically to help raise additional funds.
