

## CALIFORNIA WOMEN *for* AGRICULTURE

November 2016

To: Principals and Teachers  
From: Andrea Chavez, Committee Chair  
Re: 2017 School Garden Scholarships

The Santa Maria Chapter of California Women for Agriculture will have funds available for School Garden Scholarships for 2017. These awards may be used to start a new school garden or to fund an existing garden.

Enclosed please find the application for distribution to teachers interested in incorporating school gardens into their teaching standard requirements.

Applications must be mailed to the address below and  
**postmarked on or before January 6, 2017.**  
Schools will be notified of their award in early February 2017.

Please be aware that we will not accept late applications. Feel free to contact me with questions.

Yours in Health,

Andrea Chavez, Committee Chair
