Re: 2018 School/Youth Garden Scholarships

The Santa Maria Chapter of California Women for Agriculture will have funds available for School/Youth Garden Scholarships for 2018. These awards may be used to start a new school/youth program garden or to fund an existing garden.

Enclosed please find the application for distribution to teachers/program leaders interested in incorporating school/youth gardens into their teaching standard requirements/youth programs.

Applications must be mailed to the address below and
postmarked on or before January 20, 2018.

Applicants will be notified of their award in early February 2018.

Please be aware that we will not accept late applications. Feel free to contact me with questions. Additional copies of the application form may be obtained at our website:
