PROJECT NARRATIVE: Please include a brief (2 to 5 pages total) description of the following:

- 1) **Map of the garden:** Include the approved location and dimensions.
- 2) **Garden description:** Include an explanation of how the garden is/will be constructed, water source, and type(s) of plants that will be grown. Is this a new or existing garden? If an existing garden, please describe any significant difficulties you've had in the past trying to grow/sustain the garden. Have you received funds from CWA grants in the past and if so, how did they benefit the garden?
- 3) **Garden's future:** Will the project continue next year? How do you plan to financially sustain the project in the future? Will additional funds be requested next year?
- 4) **Budget:** Include a specific breakdown of how the requested grant funds would be used.
- 5) **Garden benefits:** How many children will be involved in the project? How will student learning be incorporated in the garden?
- 6) **Photographs:** Please include any pictures from previous year's projects, if any, or pictures of proposed site if a new garden. If funded, we may request that 4 pictures be submitted electronically to help raise additional funds.
