

The Santa Maria Chapter of California Women for Agriculture (“CWA”) is a non-profit organization dedicated to educating the public about agriculture as well as protecting and advocating for our local ag industry.

Santa Maria CWA has only one (1) fundraiser each year to raise the money necessary to fulfill our goals and promote our local ag industry. Through the generosity of people like you, in 2018, Santa Maria CWA was able to:

- Award over \$15,000 in college scholarships to students from Shell Beach to Santa Ynez who are pursuing an education and career in agriculture;
- Give \$7,000 to local elementary, junior high and high schools for school gardens;
- Send teachers to “Ag in the Classroom” training to learn how to teach more students about ag; and
- Distribute over \$3,000 to support ag-centered community projects, including Santa Barbara County Libraries, 4-H and the Santa Barbara County Fair’s Junior Livestock Exhibitor Program; and

Santa Maria CWA also educates the public and government about ag, as well as sponsors the popular Strawberry Varietal Tasting at the Santa Maria Strawberry Festival.

Santa Maria CWA wants to continue and grow its efforts to promote, protect and advocate for our local ag industry, and help local students pursue their dreams and obtain careers in ag; and we need your help to do it!

Please help Santa Maria CWA by donating an item for our Casino Night Fundraiser.

Thank you for your support and generosity; it truly makes a difference and is deeply appreciated!
