The Santa Maria Chapter of California Women for Agriculture (“CWA”) is a non-profit organization dedicated to educating the public about agriculture as well as protecting and advocating for our local ag industry. We do this through various means such as legislative visits, providing school garden grants, college scholarships, and giving back to our community by participating in ag-centered outreach. We hold one fundraiser each year to raise the money necessary to fulfill our mission. Through the generosity of people like *you*, in 2018, Santa Maria CWA was able to:

- Award \$15,000 in college scholarships to students from Shell Beach to Santa Ynez;
- Give \$7,000 to local elementary, junior high and high schools for school gardens;
- Distribute over \$3,000 to support ag-centered community projects, including Santa Barbara County Libraries, 4-H and the Santa Barbara County Fair’s Junior Livestock Exhibitor Program; and
- Host nearly 3,000 community members at the Santa Maria Strawberry Festival tasting with strawberries donated from local growers: Darenberries, Driscoll, Manzanita Berry Farms and Mar Vista Berries.

Santa Maria CWA wants to continue to grow in our efforts to promote, protect, and advocate for our local ag industry, as well as help local students pursue their dreams of obtaining careers in ag. We need your help to do it! Please help Santa Maria CWA by becoming a sponsor at our 2019 Casino Night fundraiser.

- Saturday, August 3<sup>rd</sup> 5:30pm
- Santa Maria Fairpark Plaza
- Live music
- Santa Maria Style BBQ dinner
- Casino games
- Live & Silent auctions, drawings

Thank you for your support, generosity and consideration!

Your Partners in Agriculture and Community Service,
